UHREN & SCHMUCK

True values

UHREN & SCHMUCK (Timepieces & Jewellery) is capturing true values in an aesthetically high-quality lifestyle magazine, where craftsmanship of the highest precision meets the diversity of different lifestyles.

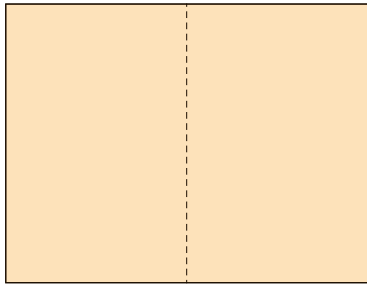

This magazine gives insights into a wide range of classics, athletic functionalists and modern highlights. Extraordinary reports delve into chronographs, which are much more than mere watches, unique pieces of jewellery and, of course, their respective producers.

Extensive reports on new technical developments and recently registered patents let watch enthusiasts forget one thing: time.
