From Big to Better

A New Format – and a Completely New Look

RONDO Exklusiv, the unique style magazine created by DER STANDARD, reinvents itself in a very special way in 2020: the new exceptional format of 230 x 285 mm stands out from the mass of other glossy magazines.

This compact format ensures that the highly visual layout and the emotional content unfold their greatness. The exclusive yet modern look is combined with the renowned, high quality journalism, elegance and profundity – always with a wink.

More Frequent Presence

In future, RONDO Exklusiv will appear five times a year on a Friday. In these issues, RONDO will be part of the new style magazine and a broad variety of topics will be covered: The worlds of fashion, cosmetics, watches and jewellery are as well portrayed as design aspects of living, architecture and luxury properties.

Proven and Innovative

Besides acclaimed columns like **Corti's restaurant review** by renowned Gourmet Severin

Corti, RONDO Exklusiv also surprises with new formats.

In **RONDO Index**, the editors curate the most recommendable products from the fields of fashion, design, cosmetics, watches and jewellery on 4 pages each.

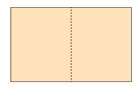

In the column **Absacker** (**Nightcap**) our authors write about tips for trendy restaurants and cocktail bars and put readers in the right mood for the weekend with the most important events, openings, premieres and exhibitions.

RONDO Exklusiv is a place for strong brands to merge with extraordinary journalistic quality apart from traditional glossy magazines. The high level of trust placed in this **STANDARD**-style magazine by our readers also radiates on the presented brands.
